

MARINE INSPIRATIONS REPORT - CAPTAIN PHIL WADE

WELCOME TO PALMA. Days 1 and 2.

The 5 Lawhill students arrived all safe and sound on Saturday afternoon although over an hour late! Master Yachts have loaned us a 7 seater car complete with our logo on the side which is really great as it means we don't need two cars every time we move!

After a brief introduction to the boat they walked up to the Wade House for dinner on the terrace.

Unfortunately Aloha J failed to get launched on Friday in time so their first couple of nights on board will be spent up in the air!

First thing on Sunday morning they visited the 58 meter motor yacht “Jade” (<https://www.yachtcharterfleet.com/luxury-charter-yacht-28675/jade.htm>) where Captain Sergio showed them around followed by a walking tour of the old town under the guidance of Terry.

We hosted a welcome party for the youngsters and invited Marine Inspirations supporters and friends. We ended up with a total of about 35 people for Sunday afternoon where we roasted a goat on the fire and suckling pig in the wood fired oven. Great success! Live music by Anthony and Emma on guitars with a new Marine Inspirations song by Emma, really cool! The impromptu Lawhill choir also did a great job much to everyone’s enjoyment. Thank you all.

All the best - Phil
