

**Zuko Saule***Logistics & Supply Chain Leader*

Zuko Saule is a seasoned professional with almost two decades of experience in logistics, shipping, and sales development. He is currently completing his Master of Science in Procurement, Logistics, and Supply Chain Management at the University of Salford, building on his Advanced Diploma in Shipping Business and a wealth of industry expertise.

As Sales Development Manager at RT7 Digital and Regional Commercial Director at Phycomex Ltd., Zuko has led transformative business initiatives, enhancing sales strategies and managing key relationships across diverse sectors. His prior experience as a Global Logistics & Shipping Expert at Atheneum Partners included pivotal roles in optimising marine freight, logistics structures, and global trade routes. Zuko also achieved notable success at MSC South Africa, where he drove business development in the automotive, minerals and perishable sectors and managed high-value contracts.

Zuko has a proven track record in managing complex projects and global tenders, demonstrating his ability to streamline operations, optimise processes, and achieve strategic objectives. His expertise in tools like HubSpot, ClickUp, and Salesforce enhances his proficiency in data-driven decision-making and workflow automation, enabling him to navigate complex global markets effectively. Known for his collaborative and results-oriented leadership style, Zuko consistently drives innovation, mentors high-performing teams, and delivers measurable outcomes that align with organizational goals.

Beyond his corporate achievements, Zuko is deeply committed to social change and community empowerment. As the founding chairman of Young People Act to Advancement (YPAA) NGO, he has championed initiatives supporting youth development and leadership. His dedication to inclusivity and progress aligns with his passion for effecting positive change through education and mentorship.

Zuko's vision is to combine his expertise in logistics and supply chain management with his commitment to public good, driving sustainable growth while empowering others to achieve their potential. When not at work, he enjoys stimulating discussions, exploring nature, reading, and spending time with family.
